

Grace Gable Memorial Scholarship Fund 2019 Application

General Information

A scholarship fund for the descendants of Solomon and Elizabeth Gable has been established with funds derived from the estate of the late Grace M. Gable who died in New York City on her 97th birthday in 2007. Grace Gable was a daughter of Mr. and Mrs. Wayne Gable, and the longest surviving descendant of that branch of the Gable family, which is now extinct. She had a career as an Army nurse.

The persons eligible for scholarships will be any blood or legally adopted descendants of Solomon and Elizabeth. The scholarship awardee(s) will be able to use awards to pay for post-high school college or university tuition, or for nurse's training. Priority will be given to applicants entering their second year of college, but any one interested should apply. This is especially true because the number of applicants is bound to be small some years.

Application Directions

Write a brief essay about why you chose your major, or what major you may choose if you are still undecided. Include what type of degree program you are in such as Associates, Bachelors or other, and the name of your place of study. Provide your personal contact information so the Selection Committee can get in touch with you.

To apply, email the completed application to adegler@verizon.net by July 14, 2019. You can contact Andrew Degler at 302-668-5757.

Please make every attempt to attend the reunion if you are selected (and come any way if you are not this year). If extreme circumstances keep you from attending, be so kind as to write a brief note that can be read at the gathering.
